

NOTICE OF
PUBLIC INFORMATION MEETING

This public notice was prepared pursuant to Title 27 California Code of Regulations §21660.3(b) for revised solid waste facilities permit applications.

(1) Name and location of the facility: BENTON CROSSING LANDFILL, 899 Pit Road, Crowley Lake, CA

(2) Solid waste facilities permit/facility number : 26-AA-0004

(3) Purpose: To provide interested parties the opportunity to become informed about the changes being proposed and the actions being taken by the enforcement agency in processing the permit.

(4) Date the EA accepted the solid waste facilities permit revision application: December 13, 2012.

(5) Description of proposed changes to the solid waste facilities permit:

- Increase acreage of permitted facility to 147.55 acres and decrease permitted disposal acreage to 70.62 acres,
- Decrease permitted disposal volume to 2,562,100 cubic yards,
- Decrease days and hours of operation,
- Update permit, operating documents and lease to reflect changes in design: grading plan, fill sequencing and location of landfill gas monitoring wells,
- Update operator contact information.

(6) EA's preliminary determination: The preliminary determination is to accept the permit revision application as complete and prepare a revised permit and issue it following concurrence by the California Department of Resources Recycling and Recovery (CalRecycle).

(7) A copy of the application can be obtained from the Mono County Environmental Health Department by contacting Jill Kearney at (760) 924-1846 or jkearney@mono.ca.gov during regular business hours.
